

Calendar of mid-semester exams of EETAC

Semester 2021-2

Even though all the slots are 2h long, the duration of each exam may vary according to the evaluation criteria of each one of the courses, always following the evaluation rules. Please ask the coordinator of the course to find out what the actual duration of the corresponding exam is, which in no case can exceed the 2h. Students with special needs have the right to an extra 25% time over the official exam length. This extra time will always be applied in a way such that no overlap is produced with the exam immediately before or after.
